## Quote of the Day

"Like the struggles of the last century, today's war on terror is, above all, a struggle for freedom and liberty. The adversaries are different, but the stakes in this war are the same: We're fighting for our way of life, and our ability to live in freedom. We're fighting for the cause of humanity, against those who seek to impose the darkness of tyranny and terror upon the entire world. And we're fighting for a peaceful future for our children and our grandchildren."

-- President George W. Bush (9/6/06)
